## 2022 FALL SEMESTER TERM PROJECT SUBJECT

12 November 2022

Dear **Alpha Amadou Sumareh (18701856)**,

Your **ITEC314 TERM PROJECT** subject is given below:

### ***Greengrocer Shop MGMT Systems***

During the semester, you must develop your term project in four **MILESTONES** and submit them before the announced death lines on LMS.

- **MILESTONE-1:** Analysis and design report of your term project subject. (4%)  
(A sample report will be shared with you soon)
- **MILESTONE-2:** Developing the infrastructure parts of the application. (7%)
- **MILESTONE-3:** Dressing the application (GUI). (7%)
- **MILESTONE-4:** Database (MySQL) connection. (7%)

Each MILESTONE will contain similar works as what you will do on LAB Hours!

Submission death lines, evaluation and scoring criteria of each milestone will be announced on LMS (<https://emuonline.emu.edu.tr> and/or <http://lms.emu.edu.tr> ).

Late submissions will not be accepted!!!

Good Luck.
